

2019 HEALING ALS CONFERENCE

YOU ARE
NOT
ALONE

Hosted by

ADVOCATES
ALS HEROES

October 18-20, Salt Lake City, UT

Learn from people who have reversed ALS and from the doctors and family members who helped them. Learn actionable steps so you too can begin or enhance the natural ALS healing process and improve quality of life regardless of current condition or situation

WHO SHOULD ATTEND:

- People diagnosed with ALS (PALS) open to healing holistically
- Family members/caregivers/friends who would like to assist them
- Medical professionals who would like to provide different outcomes for ALS patients

WHY YOU SHOULD ATTEND:

WHAT TO EXPECT:

- Three full days of great information that will help you find your path to healing
- Presentations by PALS who have reversed ALS. Find out how they did it and meet them in person
- Scientific proof ALS can be reversed with over 40 case studies by neurologist Richard Bedlack, MD, PhD
- Presentations by medical professionals on the basics of holistic medicine, including diet, supplements and detoxification

LEARN ABOUT:

- How to find and work with a holistic medical professional
- How positive mental attitude (PMA) and changing your day to day thoughts can promote healing
- Panel discussions and Q&A
- Display tables that will help you discover products and useful tools for healing
- Practical steps to begin your healing immediately

You are not alone. There are many allies ready to share their stories and expertise who are eager to empower you to find your own path to mental, emotional, and physical healing.
